

WORK GROUPS

In an effort to relieve Verla of the many phone calls she has had to continuously make in order to find ushers, readers and communion assistants for our worship services, the Glenburn worship committee has divided our church members into 12 groups. Each group will be responsible for providing the needed ushers, readers and communion assistants for their particular month. At the end of the year, the groups will be shifted around so that each group does not always have the same month year after year.

It is our hope that we as a church family, will all be willing to pitch in and do our part in the work that needs to be done in order to make our worship services go along smoothly. As it is in our own personal families, we all need to work together in order to be strong and united.

Each Sunday: One reader is needed, Two ushers and on communion Sundays, One communion assistant.

It is suggested, that if a person in a group is not willing or is unable to assist with one of the needed duties, that possibly they be the "caller" and find someone who can. You may call someone in another group to see if they would be willing.

The groups and when their particular month is, are as followed:

We realize that this may not be perfect, but we had to take many issues into consideration and we did the best we could. Let us all work together to make Trinity Lutheran Church run smoothly and continue to be a church to be proud of.
